Commencement 2003 marks the inaugural use of the Shelton State Community College Mace. This symbol of Academic Excellence, Career Technical Achievement and Community Service was completely designed and constructed by Sam House, Ron Estes and Jamie Lindsey, students in our Computerized Numerical Control classes. The College wishes to thank these students and their instructors, Jason Moore and Ronnie Guy for their insight, skill and dedication to Shelton State. The faculty grand marshal is the recipient of the Dr. and Mrs. John Todd Award for Exceptional Achievement in Teaching. The College would like to thank the Todds for their dedication to the school and the award recipient for excellence in teaching and service to the College.
